

# TankSafe Insurance

Commercial Lines

**Enhanced TankSafe®** is a commercial underground and aboveground storage tank insurance product that is distributed through a fully-automated internet-based system. Designed specifically to make an otherwise painstaking process both easy and efficient, from submission through policy and financial responsibility certificate issuance. Combining aboveground and underground storage tank coverage in a single policy and is provided on an admitted basis.

### Coverage Lines Offered

- Premise Pollution Liability

### Available Forms and Endorsements

- TankSafe Policy Form

### Coverage Highlights

- Third-party bodily injury and property damage claims resulting from storage tank incidents involving scheduled storage tanks
- Corrective action costs resulting from storage tank incidents involving scheduled storage tanks
- Policy/Certificate satisfies federal and/or state requirements for financial responsibility (where applicable)
- Written on admitted basis
- Enhanced coverage terms and conditions
  - Limits of Liability and Deductible
  - Coverage Territory
  - Definitions of “additional insured”, “first-named insured” and “remediation costs”
